

SimSiPM

```
graph TD; SimSiPM[SimSiPM] -- 2 --> src[src];
```

A diagram showing a light blue box labeled 'SimSiPM' at the top. A black arrow points downwards from the bottom center of this box to the top center of a white box labeled 'src' at the bottom. The number '2' is positioned to the right of the arrow, indicating a value or weight associated with the connection.
