A diagram illustrating file relationships. At the top, a gray rectangular box contains three lines of text representing file paths: `/home/edo/UbuntuData`, `/Projects/SimSiPM/src`, and `/components/SiPMHelpers.h`. From the bottom center of this box, two blue arrows point downwards to two separate white rectangular boxes. The left box contains the text `chrono` and the right box contains the text `iostream`. Both boxes have a thin gray border.
